For Immediate Release:

Another Woman Injured While Courts Delay Justice

Jackson Mississippi: On Wednesday August 7 another woman was injured and transported from Woman's Health Center in Jackson Mississippi.

The Mississippi legislature passed new regulations for abortion clinics last year. The requirements are not over strict—only that the doctor committing the abortion, have admitting privileges to a local hospital in case a woman were injured. This is only reasonable care for women. The problem for the clinic is that local hospitals do not give admitting privileges to just anyone. Dr's must be licensed and reputable! The clinic failed repeated inspections but the courts blocked enforcement of this reasonable regulation and prevented the Department of Health from closing this clinic.

The legislature wants to protect women. The people of Mississippi want to end the killing of the unborn in their state. The courts are compromising the will of the people and endangering women by continually blocking enforcement of this legislation. It is time this stops! How many women must be injured before this court ceases its meddling?

“Have nothing to do with the fruitless deeds of darkness, but rather expose them”. Ephesians 5:11

Operation Save America will be returning to Jackson November 2-6 in continuation of the “States Of Refuge” Campaign. There are six states that have only one abortion clinic and Mississippi is one. Gentle Christians have had “church” on the sidewalk at this clinic since the States of Refuge campaign started.

God is leading us back to Mississippi, hoping that He will hear our cry, heal our land and remove this curse from our land. Mississippi may be the first abortion-free state, a “State of Refuge” for all children.

if my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then I will hear from heaven, and I will forgive their sin and will heal their land. 2 Chronicles 7:14

What: States Of Refuge

Where: Jackson Mississippi

Dates: Saturday Nov 2- Wednesday Nov 6
