

This year, in the state of Indiana, more than 7,000 innocent babies will be slaughtered before they escape their mother's womb. The worst part is they could have been saved if only the overwhelming Republican majority at the Indiana State House had made a priority of rescuing them. Instead, these "pro-life" legislatures, along with most of the "pro-life" organizations in Indiana lobbied against the bill that could have put an end to the bloodshed. Sadly this is no surprise when one takes time to consider Indiana's bloodstained history as one of only a few states where abortion was legal even before Roe passed. There is much injustice to be exposed and confronted in our state. I would like to personally invite you to join us for this OSA National event, as we seek to expose darkness, confront injustice, call for repentance, and seek to institute mercy on behalf of the preborn.

Pastor Derin Stidd, Aletheia Church

Every age has its evil, and though there are many evils in our age, the evil of abortion is, perhaps, the deadliest. In our nation, during our lifetime more than 60 million children have lost their lives through the abortion holocaust. We have sacrificed these precious lives on the altar of convenience. The Pro-Life movement cannot stop it. The Gospel of Jesus Christ is the only hope for all who are affected by this holocaust, and the Church of Jesus Christ is the messenger that God has ordained to bring the Gospel to this world. Come and join for a time of prayer, worship, fellowship, ministry, and training on how the Church can get involved in this battle. Let us lock arms in this effort, for the very gates of Hell do not stand a chance against Christ and His Church.

Lead Justice To Victory

July 14-21, 2018

He has shown you, O man, what is good; And what does the LORD require of you but...

“Do justly, to love mercy, and to walk humbly with your God (Micah 6:8)”

This passage of Scripture has been designated, by some, as the "Micah Mandate." It contains the great triad of Biblical virtues that are reflected in the Law, the prophets, and most importantly, in the life of our Savior, Jesus Christ: Justice, Mercy, and Humility. The order is important in God's economy. Justice must be established first for mercy to flow in the humility of God.

It is clear in the Gospels that the King of kings and the Lord of lords was on mission to establish the Micah Mandate. Jesus boldly confronted the religious leaders of His day for neglecting it. He denounced their religiosity for rendering useless the virtues of justice, mercy, faith, and humility which the mandate required. He cried out, "Woe to you, scribes and Pharisees, hypocrites! For you pay tithe of mint and anise and cummin, and have neglected the weightier matters of the law: justice and mercy and faith. These you ought to have done, without leaving the others undone" (Matt 23:23).

Do you ever wonder what Jesus would say to the modern-day church concerning this mandate? Have we pursued money, reputation, and comfort at the expense of justice, mercy, and humility? Does our silence, neglect, and abandonment of our culture strengthen the oppressors in our society? Do we inadvertently prolong the suffering of victims led to slaughter? Do those who are "unjustly sentenced to death" take a secondary role as a priority in the Church (Proverbs 24:11, 12)? Has the pursuit of theological escapism, cultural retreatism, and feel good religion within the church help to contribute to the demise of America? Are we rendering useless the Micah Mandate like our religious predecessors? It is vital that we answer these questions honestly and make any necessary adjustments to fulfill this godly expectation in our day.

God willing, Operation Save America is going to Indianapolis, Indiana this year to prayerfully live out this mandate in Jesus' name! We will, by God's grace, come alongside local churches and pastors to help establish this mission. The theme is **"Lead justice to Victory."** The dates are **July 14th-21st**.

God's Justice is the basis for His Love. God's Word declares, "Righteousness and Justice are the foundation of thy throne: mercy and truth shall go before thy face" (Psalms 89:14). Christ indeed came to earth to "Lead justice to victory" (Matthew 12:20). God's Word promises, "He will not fail nor be discouraged, Till He has established justice in the earth; and the coastlands shall wait for His law" (Isaiah 42:4).

There will be street activities every day, training sessions each afternoon, and impactful rallies each night. Experts in their fields will come to impart what it will take to lead justice to victory and abolish all abortion now in the state of Indiana.

IN KING JESUS' SERVICE,

Rev. Rusty Lee Thomas, National Director, Operation Save America
